----- )

Defendant moved to dismiss the Complaint on March 29, 2012.

Plaintiff's response to this motion was due fourteen days later. See LCvR

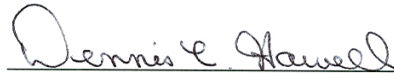

7.1(E). On April 5, 2012, Plaintiff requested a thirty day extension of time to  
respond to Defendant's motion. The Court denied this motion. (Order

Denying Mot. Extension Time, Apr. 5, 2012.) Subsequently, Plaintiff filed an  
untimely response. In addition to being untimely, the response failed to  
comply with the page requirements of the Local Rules. See LCvR 7.1(D).

Plaintiff, who is represented by counsel, did not file a second request for an  
extension of time or a request for an extension of the page limit. Accordingly,  
the Court STRIKES the Memorandum in Opposition to Motion to Dismiss [#

14] as well as all the attachments. Plaintiff will not be provided another opportunity to file a response to Defendant's motion.

Signed: April 20, 2012
